Subject: Letter of Appreciation for Title Sponsorship of Envisage 6.0

Dear Sir/Madam,

On behalf of the Management Interaction Cell, Department of Commerce, Jesus and Mary College, we extend our heartfelt appreciation to DigiTech Media Network for their generous support as the Title Sponsor of Envisage 6.0 — our flagship annual management fest.

Your valued partnership enabled us to successfully organize two significant academic events: a Seminar held on 10th February 2026 and a Webinar conducted on 29th April 2026, both centered around the theme of Digital Marketing. These sessions provided our students with meaningful industry exposure, practical insights, and a deeper understanding of the evolving digital landscape.

The expertise and enthusiasm brought by your team played a vital role in enriching the learning experience of our students. Your commitment to fostering industry-academia collaboration has been truly commendable, and the knowledge shared during these events will undoubtedly contribute to the professional growth and career readiness of our participants.

We are grateful for DigiTech Media Network's belief in our vision and their wholehearted support in making Envisage 6.0 a resounding success. We look forward to continuing this fruitful association in the years to come.

With warm regards,

Ms. Monica Chhabra
HOD, Department of Commerce
Jesus and Mary College
